0.00 USD[Terms and Conditions](#)**TERMS AND CONDITIONS FOR REUSE OF IEEE MATERIAL**

By clicking "accept" in connection with completing this licensing transaction, you agree that the following terms and conditions apply to the use of the material you selected for licensing (the "Licensed Material"), along with the Billing and Payment terms and conditions established by Copyright Clearance Center, Inc. ("CCC"), at the time that you opened your RightsLink account and that are available at any time at <http://myaccount.copyright.com>.

Grant of Limited License

IEEE hereby grants to you a non-exclusive, non-transferable worldwide license to reproduce the Licensed Material -for the purpose specified in the RightsLink form in connection with this transaction. The Licensed Material shall not be used in any other manner or for any other purpose beyond what is granted in this license. This license is personal to you and may not be sublicensed nor assigned to any other person. The license is for one-time use only and limited to the maximum distribution number specified in the license. The first instance of republication or reuse granted by this license must be completed within two years of the date of the grant of this license (although copies prepared before the end date may be distributed after such end date.) Any third-party content that may appear in connection with the Licensed Material in the IEEE publication is expressly excluded from this permission.

Restrictions on Use

Except as specifically authorized in this license, all other uses are prohibited, including altering or modifying the Licensed Material in any manner, translating the Licensed Material into another language or creating any derivative work based on the Licensed Material; for clarity, any modification in the technical content of the Licensed Material requires the consent of the senior author of the Licensed Material. Consent for such changes is not granted in this agreement.

Any use of the Licensed Material in any way that would be considered libelous, defamatory, abusive or obscene, in violation of any applicable law or the proprietary rights of a third party and or used in connection with the advertising or promotion of any product or service is also prohibited.

You agree to use your best efforts to prevent unauthorized use of the Licensed Material.

License Effective Only Upon Payment

The license granted to you is effective only upon receipt of full payment from you as provided in CCC's Billing and Payment terms and conditions.

IEEE Intellectual Property Rights

You agree that IEEE is the owner of all right, title and interest in the Licensed Material and/or has the right to license the Licensed Material, including all copyright rights and other intellectual property rights under United States and international law.

Termination

In the event that you breach any of these terms and conditions or any of CCC's Billing and Payment terms and conditions, the license granted herein shall be terminated immediately. Any use of the Licensed Material after termination, as well as any use of the Licensed Material beyond the scope of these terms and conditions, may constitute copyright infringement and IEEE reserves the right to take any and all action to protect its rights in the Licensed Material.

Copyright Notice and Credit

Your use of the Licensed Material must include appropriate acknowledgement of the author, title of the material/book/journal and the publisher. You must also duplicate the copyright notice that appears in the IEEE publication in your use of the Licensed Material, and add a permission notice in the following form:

Reprinted with permission from [insert name of publication].

Indemnity

You hereby indemnify and agree to hold harmless IEEE and CCC, and their respective officers, directors, employees and agents, from and against any and all claims arising out of your use of the Licensed Material other than as specifically authorized pursuant to this license.

Limited Warranty and Limitation of Liability

THE RIGHT TO USE THE LICENSED MATERIAL IS GRANTED ON AN "AS IS" BASIS AND IEEE MAKES NO WARRANTY, EXPRESS OR IMPLIED WITH RESPECT TO THE LICENSED MATERIAL, INCLUDING ALL WARRANTIES OF QUALITY, ACCURACY AND/OR FITNESS FOR A PARTICULAR PURPOSE, AND IEEE SHALL NOT BE LIABLE UNDER ANY CIRCUMSTANCES FOR ANY LOSSES RESULTING FROM YOUR RELIANCE ON OR USE OF ANY INFORMATION CONTAINED IN THE LICENSED MATERIAL.

Entire Agreement

These terms and conditions, together with CCC's Billing and Payment terms and conditions (which are incorporated herein), comprise the entire agreement between you and IEEE concerning this licensing transaction. In the event of any conflict between your obligations established by these terms and conditions and those established by CCC's Billing and Payment terms and conditions, these terms and conditions shall prevail.

A copy of both the license and these terms should be retained for your files.
